25X1

On 3 October 1952, [redacted] barracks installation under construction on the Ruedersdorf-Kalkberge-Althuchhorst (N 53/V 14) road, 1.5 km southeast of Ruedersdorf. The installation included 4 three-story quartering buildings, 1 two-story administration building, 1 small guardhouse, 1 small workshop building, 1 Finnish bath, 1 water purification installation and 1 transformation station. Two thirds of the buildings were nearing completion. [redacted] no garage for vehicles or weapons had been erected. The installation was in a wooded area of 500 x 500 meters. A total of 1.8 million eastmarks was appropriated for the construction work in which 255 workers were engaged. On [redacted] the construction was in a stage which made
